Dear Parent/Guardian:

It is my hope that the opening of the school year has gone as well for our entire Vogel Family as it has for us here at school. Since my first encounters with the staff at Vogel, I can assure you that your children are in the hands of the best. The staff has displayed hard work and dedication above and beyond the normal duty of their positions. My goal as principal is to create an atmosphere that generates equity and excellence for all children. We, the staff and I, will encourage each child to reach his or her maximum potential. If we can be of service or help to you or your child, do not hesitate to contact us for assistance. The office number is 477-6109.

Sincerely,

Carl D. Underwood, Principal

## MUSIC NOTES

Vogel families, mark your calendars now for our music programs this year! Every child in the school has the opportunity to participate in a music program each year. They gain valuable experience in speaking, playing instruments, dancing, and of course, beautiful singing! Your children work very hard on their programs, and it means so much to them to have you here to cheer them on. See you there!

**Monday, December 7** – *Choir & Kindergarten*

**Monday, February 8** – *First & Second Grades*

**Monday, April 12** – *Choir & Third Grade*

## CHOIR PARENTS

Remember that your child will need a long sleeve white shirt and nice denim jeans for our programs. Wal-Mart carries a reasonably priced white shirt in the school uniform area. We are busy preparing our musical "Jingle All The Way" which encourages each of us to focus on the truly important things during the holiday season. Ask your child if they'll sing a little bit of it for you. If you have any questions or concerns, please contact me at:

Thank you for your support!

Dear Vogel PTA Members,

Thank you for making our school safer with the help and financial support of eight new walkie-talkie hand held sets. This new technology will definitely be put to good use. We are so grateful for your generosity and please know that your contribution to the team is felt and recognized. Thanks again.

Sincerely,

Carl D. Underwood  
Principal

## \*P.E. CLASSES\* VOGEL OLYMPICS

All boys and girls in Kindergarten through fifth grade are participating in the Vogel Olympics. The competition requires every child to run a distance race within a predetermined time period to qualify as an "Olympian." The three fastest girls and the three fastest boys in each grade will receive a medal and other students who make the team will receive a ribbon. The Vogel Olympics ceremony will be held on October 23 at 8:30 a.m. **All parents are welcome to attend.**
