IMMUNIZATIONS

Immunizations are required by Indiana State Law. When children enroll in EVSC schools for the first time or any subsequent time and at any level, the parent/guardian must show written proof of immunizations or have on file a current religious or medical exemption. The immunization waiver for a medical exemption requires a written diagnosis by a physician stating that a student has a medical condition that precludes receiving certain vaccines. A waiver of immunization because of religious reason requires a letter from the parent/guardian. Both waivers must be updated yearly. **A child may not be permitted to attend school beyond the first day of school without furnishing written proof of immunizations, or a request for a waiver. See Minimum Immunizations for School Entry.** For further information, please call the Center for Family, School and Community Partnerships - Office of Health Services and Wellness at 435-8279.

To obtain the current immunization requirements, see the next page. For more information, contact the Center for Family, School, and Community Partnerships - Office of Health Services and Wellness at 435-8279.

Meal payments using cash or check may be made at your child's school. If paying by check, the check is to be made out to the school cafeteria. Your phone number must be on the check. Charges are permitted on a very limited basis through 8th grade. Do contact the EVSC Office of Food & Nutrition at 435-8262 should you have difficulty in making meal payments.

Paying for your child's meals on-line is also a payment option. If desired, you may use VISA or Mastercard to make payments into the student's meal account. A \$2.50 fee per transaction will be charged for those making on-line deposits to an account. To access this service, go to www.EZSchoolPay.com. You will need your child's seven digit EVSC Student ID number. This number can be found on the pre-printed free and reduced price meal application that every student receives or on the opening page of EdEase Parent Access. Even if you do not use EZ School Pay to make on-line payments, the service allows you to check your child's meal account history and balance at no charge.

Families may be eligible for free or reduced price meals. Some EVSC students will be pre-approved for free meals and other benefits and will be notified. Pre-printed family applications, for free and/or reduced price meals and other benefits, will be distributed to all other students. A household having more than one child enrolled in EVSC may receive multiple applications. However, just one of these applications needs to be completed and returned with one child to his/her school office. Students approved for free or reduced price meals are eligible to receive free text books and other benefits.

If your child has special dietary needs that require a menu change, a Diet Prescription for Meals at School form may be obtained from the cafeteria manager or school nurse. The form must be signed by a physician or recognized medical authority and returned to the cafeteria. In most instances, we are able to make the necessary adjustments.

Shoes: Students cannot wear flip-flops, sandals, house shoes, jellies, or shoes with rollers. Shoes with strings or velcro must be fastened. Shoes must be worn at all times. All shoes should contain backs and be closed toe.

Accessories: Earrings (in the ear), and watches are the only acceptable forms of accessories.

Hair: Hair color and styles must not be distracting to the educational process.

Exceptions to the student dress code policy

- **Spirit Days** - School logo shirts from Plaza Park, Hebron, Stockwell, and Harrison will be permitted on special days that are approved by the administration. The primary color of spirit wear shirts should be white, gray, navy, black, and red.
- **Picture Day** - On Plaza Park's Picture Day, students may be granted approval by the administration to wear a shirt or blouse that adheres to the overall EVSC school dress code policy. Students will wear khaki or navy pants on School Picture Day.

Items not allowed to be worn by students: Wind pants/sweatpants, over-sized clothing, excessively tight clothing, clothing with cuts, slits, holes or slashes, denim or jean fabrics, sleeveless tops, hooded sweatshirts, overcoats, jackets, trench coats, bicycle shorts, leggings/stretch knit, carpenter's pants, pajama pants, skinny style pants, cargo pants, and low rise pants. Since the guidelines cannot make provisions for continual changing of fads in dress/accessories, the school administration reserves the right to decide what is acceptable and appropriate.

General information: In addition to the dress code requirements previously listed, the following guidelines will also apply.

- All clothing must be properly fitting.
- No head gear or accessories are allowed to be worn in the building.
- Solid color means all one color on the entire item. No contrasting colors or stripes on the body, sleeves, or collar.
- All parts of the uniform are to be neat, clean, and fit appropriately.
- Shorts may not be worn from November 1 to March 31.
- All coats, jackets, raincoats, and backpacks should be labeled with the student's name for easy identification.

- It is the parent's responsibility to see all clothing meets the Plaza Park dress code requirements.

Thompkins Middle School

Shirts: Students will be wearing collared polo shirts, long or short sleeved or oxford style shirts with sleeves. Logos are to be limited to approximately 2 inches in size. Graphics will not be allowed on shirts. The shirts may be plain, striped, plaid, etc. No particular brand of shirt is required.

Sweatshirts: Hoodies and jackets will not be allowed during the school day. Crew neck sweat shirts or sweaters may be worn over the shirts for warmth. Long sleeve tee shirts can also be worn under the shirts for warmth. Graphics are not allowed on the shirts.

Pants: Students are not required to wear a particular style of pant, shoe, etc. The pants you choose for your student should be free of holes, worn about the waist and of appropriate length.

Spirit Days: There will be special occasions such as spirit days that would allow for the modification of the attire students wear. Schools will notify family of these special days.

WEATHER RELATED SCHOOL CLOSINGS

All schools in the EVSC will be open on all regularly scheduled days unless closed by the EVSC Superintendent because of an emergency situation or inclement weather that makes driving or walking conditions unsafe. The school corporation will attempt to have schools open each day that road and weather conditions are considered safe for students.

On days of inclement weather when roads are considered to be unsafe for school bus transportation, the decision to close school is made by the Superintendent usually prior to 5:45 a.m. Decisions regarding schools closing are reached by school officials after traveling area roads between 3-5 a.m. In addition, information is received from the National Weather Service, Indiana State Police, Evansville Police Department, Vanderburgh County Sheriff, Indiana State and Vanderburgh County Highway Departments; as well as consultations with surrounding school districts.

When the decision is made to close, or if it is decided a delay of opening is in order, notification will be sent to all families and staff through the EVSC's Family Notification system, Connect-ED. This Outreach call will go to the primary method of communication listed by families and employees. It is important that this information is kept up-to-date. All local radio and television stations will also be notified at the time the decision is made. The news media generally begin making the announcement immediately and at frequent intervals, thereafter.

The following announcements may be made:

- All schools are closed.
- Schools will be open, but starting time may be delayed up to two hours.
- Schools will be open as usual, but bus transportation is provided **ONLY** on alternate routes. Alternate routes are those identified by the city and county officials as having first priority for clearing.
- On rare occasions, weather conditions may worsen sufficiently during the day as to require an early dismissal of students. Early dismissal may be necessary in order to get students home before inclement conditions make transportation hazardous. In order to prepare for this, parents should instruct children what to do should this occur.
- In some instances, schools will hold students until the threat of severe weather has passed before releasing them to parents or for the bus trip home. If this occurs, students **WILL NOT** be released to parents or be allowed to leave the school after they have been taken to their "safe" locations within the buildings, until an all-clear is given. Student and staff safety is the EVSC'S first and foremost concern.

Weather conditions are not always the same throughout the 241 square miles of Vanderburgh County; thus, it may be possible for most of our schools to remain open while some must be closed due to the terrain and roads in the immediate vicinity. A map of road conditions throughout the county will be posted at www.evscschools.com

EACH PARENT HAS THE FINAL RESPONSIBILITY FOR THE CARE OF THEIR CHILD; THEREFORE, ON DAYS WHEN THE SCHOOL IS OPEN AND THE PARENT OR GUARDIAN FEELS THAT TRAVEL IS NOT SAFE, THE PARENT MAY CHOOSE TO KEEP THE STUDENT HOME. When this decision is made, the parent/guardian should send a note to school and the absence will be considered excused and time will be allowed for make-up work to be completed. The State of Indiana requires that all schools be open a minimum of 180 days.

DISTRIBUTION OF NETBOOK COMPUTERS

The EVSC is beginning its second year of the one-to-one laptop initiative, providing a netbook to all high school students for use in classes and at home this school year. Through the Indiana Department of Education, laptop computers are considered as textbooks (a learning tool), and the EVSC will treat the netbooks in the same manner. The process and protocols that are already in place for textbooks will also be utilized for netbooks. This includes bar-coding, inventory, distribution, and repair/replacement. Once the textbooks and netbooks are in the student's possession, they are responsible for the care of both.

Netbooks will be distributed to high school students at Bosse, Central, Harrison, North, Reitz, and the Academy for Innovative Studies. Netbooks will also be used in the Equity Schools of Delaware Elementary, Howard Roosa Elementary and McGary Middle School. Eighth graders at McGary will also be allowed to take netbooks home for use there. High school netbook rental for the school year is \$70 (\$35 per semester). McGary eighth graders will also pay \$70 per year for netbook rental. For students who qualify for free or reduced lunches, the netbook will be rented to the student at no charge.

Students will be responsible for the care of the netbook to ensure that it is not damaged. If damage or other problems with the netbook occur, the student should report the problem to the school building support technician who will assess the damage and initiate a repair ticket. In the event of damage due to accidental or negligent behavior, the student and parent will receive an invoice for the repair costs.

All parents are encouraged to purchase optional insurance. Insurance options may be available through an individual homeowner policy or other insurance companies. One option available for students, faculty and staff, is *Student Insurance Partners*. This company provides laptop/tablet insurance which covers replacement cost and protects the laptop worldwide. For additional information, contact Blake Barth at 405-269-4378 or visit the website at www.studentinsurancepartners.com.

Students/parents are responsible for completing and submitting the optional insurance application and submitting a claim to the insurance company if needed. The netbook specification information is posted on the EVSC website at www.evscschools.com (click on educational support services and then click on technology in right-hand column) to assist with needed claim information.
