Because the Naval Academy is one of the highly competitive U.S. Military Academies, preparation for admission to the academy begins early in the sophomore or junior year. If you are a current sophomore or junior, and would like more information about the Naval Academy, please see Mrs. Voight in the counselors' office to obtain a permission slip to attend the session on Wed., Nov. 25th at 9:40 a.m. Space will be limited for this visit, so sign up right away!
