Dear Parents and Guardians,

I am so excited to be part of this wonderful learning community at Vogel Elementary! By working together as a team to help our children be successful, we will have a fabulous year and accomplish so much. Positive relationships and successful communication are crucial to making all of us effective, and we want to work with you to help make that possible. We will do everything we can to make Vogel School a place where children want to come to learn every day and where families are supported. By focusing on very high expectations for our children and supporting high academic achievement, we will be extremely successful. Please call or stop by to share your comments or concerns. You are *always* welcome!

### SECOND GRADE NEWS

It is hard to believe we have already finished the first grading period! We have a great group of second graders who are working really hard. We have completed the beginning of the year Diebels testing in Math and Reading. Professor Popcorn visited our classrooms for five lessons about good nutrition. Each lesson ended with a healthy snack. Fire safety is observed during October and the children are learning safety tips to keep their families safe. We also distributed RIF (Reading is Fundamental) books to the students. The busy month ended with Red Ribbon Week activities. In November, we will begin the Book-It Reading Incentive Program that lasts for five months sponsored by Pizza Hut. Read with your children to help them meet the monthly goals.

### WALKING PROGRAM

On Monday, November 2, Vogel will begin a new walking program. Feel free to drop your child off at the gym any time after 7:15 each morning to give your child a great start to a healthy day!
